Health and Safety General Standards

Policy statement

Our setting believes that the health and safety of children is of paramount importance. We make our setting a safe and healthy place for children, parents, staff and volunteers.

- We aim to make children, parents, staff and volunteers aware of health and safety issues and to minimise the hazards and risks to enable the children to thrive in a healthy and safe environment.
- Our member of staff responsible for health and safety is **Sally Fink**
- She is competent to carry out these responsibilities.
- She has undertaken health and safety training and regularly updates his/her knowledge and understanding.
- We display the necessary health and safety poster on the **Humpty Dumpty Cupboard door**

Insurance cover

We have public liability insurance and employers' liability insurance. The certificate for public liability insurance is displayed on the **Humpty Dumpty Display Board in the Hall**

Procedures

Awareness raising

- Our induction training for staff and volunteers includes a clear explanation of health and safety issues, so that all adults are able to adhere to our policy and procedures as they understand their shared responsibility for health and safety. The induction training covers matters of employee well-being, including safe lifting and the storage of potentially dangerous substances.
- Records are kept of these induction training sessions and new staff and volunteers are asked to sign the records to confirm that they have taken part.
- As necessary, health and safety training is included in the annual training plans of staff, and health and safety is discussed regularly at staff meetings.
- We operate a no-smoking policy.
- Children are made aware of health and safety issues through discussions, planned activities and routines.

Safety of adults

- Adults are provided with guidance about the safe storage, movement, lifting and erection of large pieces of equipment.
- When adults need to reach up to store equipment, they are provided with safe equipment to do so.
- All warning signs are clear and in appropriate languages.
- Adults do not remain in the building on their own or leave on their own after dark.
- The sickness of staff and their involvement in accidents is recorded. The records are reviewed termly to identify any issues that need to be addressed.

Floors

- All floor surfaces are checked daily to ensure they are clean and not uneven, wet or damaged. All wet spills are cleared immediately.

Doors

- We take precautions to prevent children's fingers from being trapped in doors
- All glass doors are fitted with safety glass.

Electrical/gas equipment

- All electrical/gas equipment conforms to safety requirements and is checked regularly.
- Our boiler/electrical switch gear/meter cupboard is not accessible to the children.
- Fires, heaters, electric sockets, wires and leads are properly guarded and the children are taught not to touch them.
- The temperature of hot water is controlled to prevent scalds.
- Lighting and ventilation is adequate in all areas.

Storage

- All resources and materials, which are used by the children, are stored safely.
- All equipment and resources are stored or stacked safely to prevent them accidentally falling or collapsing.

Outdoor area

- Our outdoor area is securely fenced.
- Our outdoor area is checked for safety and cleared of rubbish before it is used.
- Adults and children are alerted to the dangers of poisonous plants, herbicides and pesticides.
- Any pool/pond is securely covered or otherwise guarded.
- Where water can form a pool on equipment, it is emptied before children start playing outside.
- Our outdoor sand pit is covered when not in use and is cleaned regularly.
- Check that children are suitably attired for the weather conditions and type of outdoor activities.
- All outdoor activities are supervised at all times and particularly children on climbing equipment.

Hygiene

- We seek information from Public Health England to ensure that we keep up-to-date with the latest recommendations.
- Our daily routines encourage the children to learn about personal hygiene.
- We have a daily cleaning routine for the setting, which includes the room, kitchen, toilets and nappy changing mats.
- We have a schedule for cleaning resources and equipment, dressing-up clothes and furnishings.
- The toilet area has a high standard of hygiene, including hand washing and drying facilities.
- We implement good hygiene practices by:
 - cleaning tables between activities;
 - cleaning and checking toilets regularly;
 - wearing protective clothing - such as aprons and disposable gloves - as appropriate;
 - providing tissues;
 - providing clean towels/hand towels

Activities and resources

- Before purchase or loan, equipment and resources are checked to ensure that they are safe for the ages and stages of the children currently attending the setting.
- The layout of play equipment allows adults and children to move safely and freely between activities.
- All equipment is regularly checked for cleanliness and safety, and any dangerous items are repaired or discarded.
- All materials, including paint and glue, are non-toxic.
- Sand is clean and suitable for children's play.
- Physical play is constantly supervised.
- Children are taught to handle and store tools safely.
- Children who are sleeping are checked regularly.
- Children learn about health, safety and personal hygiene through the activities we provide and the routines we follow.
- Any faulty equipment is removed from use and is repaired. If it cannot be repaired it is discarded.
- Large pieces of equipment are discarded only with the consent of the manager and the management team.

Control of substances hazardous to health

- Our staff implement the current guidelines of the *Control of Substances Hazardous to Health Regulations (COSHH)*.
- We keep a record of all substances that may be hazardous to health - such as cleaning chemicals.

- Hazardous substances are stored safely away from the children.
- We keep all cleaning chemicals in their original containers.
- We keep the chemicals used in the setting to the minimum in order to ensure health and hygiene is maintained.
We do not use:
 - anti-bacterial cleaning agents, except in the toilets, nappy changing area and food preparation areas. Anti-bacterial spays are not used when children are nearby.
- All members of staff are vigilant and use chemicals safely.
- Members of staff may choose to wear protective gloves when using cleaning chemicals.

Legal framework

- Health and Safety at Work Act (1974)
- Management of Health and Safety at Work Regulations (1999)
- Electricity at Work Regulations (1989)
- Control of Substances Hazardous to Health Regulations (COSHH) (2002)
- Manual Handling Operations Regulations (1992 (As Amended 2004))
- Health and Safety (Display Screen Equipment) Regulations (1992)
